Vision

Connecting people, businesses and communities through logistics and technology

Mission

To become the world's most preferred logistics solutions company through innovation & service delivery for a profitable and sustainable growth

Values

We are committed to staying connected through mutual trust and delivering the highest value to all our stakeholders

BOTHRA GROUP

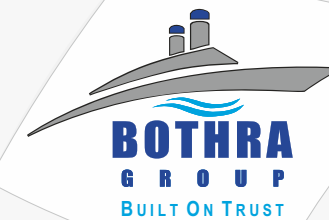

Founded in 1975, the Bothra Group has evolved from a conventional Stevedoring, Clearing and Forwarding agency to a multidimensional Shipping and Port Logistics Group of Companies. With global operations and focus on China, the Far East, India and the African continent, the Group has grown beyond the shipping sector. They are a competent and reliable End to End Logistics Service Provider with Shipping and overland logistics solutions curated as per the customer's needs. From mechanization of the conventional cargo handling process to migration to machines to increase efficiency and productivity, it has been a tremendous growth.

The Bothra Group has extensive presence in India through various entities:

- ❖ Sarat Chatterjee & Co (VSP) Pvt Ltd
- ❖ Bothra Shipping Services Pvt Ltd
- ❖ Jaldhi Overseas Pte Ltd

KEY BUSINESS VERTICALS

OCEAN FREIGHT

Our ocean freight management specialists work closely with you to learn your business first-hand. Equipped with a deep understanding of your supply chain requirements, we utilise a range of standard ocean freight services and supplementary options to secure the space allocation, timing, frequency and rates that fit your precise objectives.

- ❖ Buyer consolidation and GOH handling
- ❖ Dedicated CFS space with C-TPAT compliance
- ❖ FMC/FIATA/MTO approved HBL
- ❖ Break Bulk and projects
- ❖ LCL consolidations

AIR FREIGHT

An experienced team of air freight specialists delivers on your daily priorities for time, space, frequency and cost. We take our briefs very seriously to identify your needs and understand your goals. Our standard air freight services and their customized options bring added flexibility to your supply chain. Whether we take extra measures for your sensitive cargo or provide you added supply chain visibility through our online tracking tools, our air freight experts are always on the ball as they look after your cargo.

- ❖ Tie-up with leading IATA agents and airlines
- ❖ Complete IATA regulations
- ❖ Block space warehouses in all major airports; this enables cargo inspection, labelling and consolidations
- ❖ In-house customs team enables one-point contact with suppliers for origin requirements, i.e., pick ups, customs clearance/queries, post shipment and documentation
- ❖ Weekly consolidations collaborating with our partners in Hong Kong, China, Europe, South East Asia and USA
- ❖ Partnerships grant us access to strong networks with accredited agents across the world

CUSTOMS CLEARANCE AND GROUND FREIGHT

We are your trusted ground freight partner. Our standardized ground freight services come with a host of customized options to achieve the ideal balance of lead-time, capacity, frequency and cost. Whether it means providing same day delivery or transporting hazardous cargo, our freight specialists ensure a successful supply chain.

- ❖ Own licence under the name of Bothra Shipping Services
- ❖ Expert teams at all major ports of India
- ❖ One stop solution including last mile
- ❖ Specialise in AOG, DG, Time Sensitive Cargo

WAREHOUSING & 3PL

Our strategic warehousing solutions combined with advanced design tools, processes and systems ensure cost efficient fulfilment solutions. Our dedicated warehouse products are just the right size, in just the right place, for just the right length of time. We help diagnose your warehousing challenges, develop inventory management solutions and make them work in a real world situation.

- ❖ We manage over 300,000 square feet of warehousing space within our operational centers
- ❖ Our fully compliant warehouses are equipped with all modern MHE to handle various types of cargo
- ❖ We provide complete security/coverage from threats such as fire, pilferage and damage
- ❖ Specialized services for various odd dimensional cargo
- ❖ Value added services like Sorting, Picking, Packing and Inventory Management
